

## School Supplies Are Needed

The Kanata Food Cupboard has launched our annual Back-to-School Program for 2019.

Purchasing school supplies can be very costly and put financial stress on many families. The Kanata Food Cupboard provides school supplies to families in hopes of easing that burden.

Last year we assisted 148 families in Kanata, totalling 364 children and 23 adults with our Back-to-School Program. We expect this year the numbers to grow.

As part of our Back-to-School Program we are looking for school supplies for students of varying ages, from school age children to adults attending school. The items that we are most in need of are:

- Math Sets
- Rulers
- Graph Paper
- Spiral Exercise Books
- Combination Locks
- Markers
- Pencil Crayons
- Pencil Cases
- Backpacks
- Scientific Calculators
- Duotangs of various colours
- Large Glue Sticks
- Binders
- Lunch Kits

Your help in making back to school a positive experience for all Kanata families is greatly appreciated. Items can be dropped at the Kanata Food Cupboard Warehouse location, 340 Legget Drive, Door #46, Monday to Friday 9am-12noon, or at any of our donation bins at seven various grocery stores in Kanata.
