

PRESS RELEASE

Discover TechNATA Rescheduled to October 5th, 2020

Kanata North - Thursday, March 12, 2020 – Due to the ongoing concerns and uncertainties related to COVID-19, we have decided to postpone this year's Discover TechNATA Tech Expo and Talent Hunt Job Fair to a later date in the fall.

Following the recommendation from our Board of Directors we will postpone **Discover TechNATA** from April 8th, 2020 to a new date of **October 5th, 2020 at the Brookstreet Hotel**.

This has been a difficult decision although a necessary one as the health and safety of our business community members and event participants is of the utmost importance to the Kanata North Business Association. It is essential that we do everything possible to ensure a safe environment and world class event for all participants.

Discover TechNATA is an important event for our business community bringing together over 3000 job seekers, investors and business professionals to Canada's largest tech park.

All participants, exhibitors and attendees, who have purchased a ticket to this year's Discover TechNata event will have their tickets automatically transferred to the new date in October.

We are also exploring the opportunity to launch a "virtual career fair" that will match job seekers with potential employers in the spring. Please watch for more details over the coming weeks on this.

Should you have questions regarding the postponed date and wish to discuss further, please contact lauren@ottawabusinesssevents.ca

We know this is a very challenging time for everyone and appreciate the understanding and support.
